Social Studies	8	100%	12.5%

Our wonderful parents on the school council made a healthy breakfast for the students before each PAT.

What's Important to Our Staff and Our Focus

Through reading and writing our students will become more empathetic towards others.

This will:

- a) Increase class engagement
- b) Increase academic achievement
- c) Increase communication skills
- d) Lower the likelihood of bullying and encourages higher levels of happiness
- e) Lower aggressive behaviors and emotional disorders
- f) Increase positive attitudes

How We Are Improving Student Learning

Use of Haggerty and UFLI programs when teaching phonics to improve reading and writing.

Guided reading groups.

Intentional teaching of the reading components in all classes.

Intentional teaching of Number Sense.

How We Are Improving our Practice

One on one work with a numeracy consultant.

One on one work with a literacy consultant.

Professional development on assessment.

Professional development on outcome based report cards.
